

## My American Student Life

Project Title	My American Student Life
Project Summary	Create online social media content to showcase the great study opportunities and vibrant campus life in the United States.
Country	Vietnam
Agency	Department of State
DoS Office	N/A
Post	HANOI
Section	PAS
Number of Interns	2

## Project Description

We are seeking creative, social-media savvy interns to create short films and blogs aimed at telling prospective Vietnamese international students about studying in the U.S. Potential film topics could include student orientation, student activities, and Vietnamese holidays and celebrations on campus. In addition, students can provide detailed accounts on what it is like to study in their field, especially those in STEM. Interns will also contribute to a “Did you know” corner every week on Facebook where they share a fact about U.S. higher education. Finally, interns will create content for a biweekly “Myth vs. reality” post about higher education in the U.S.
